The right light

# Ovelo

Ovelo - Uniquely designed LED task light for the modern office. Complete with a timer which automatically turns the light off after 8 hours of use to ensure energy savings, this task light uses 6W dimmable LEDs to illuminate an entire worksurface. A combination aluminum and steel construction and covered spring-balanced arm provides complete flexibility of the pivoting arm and lamp head.

- Light source: 6W Dimmable LEDs, 8.1W total energy consumed
- Color temperature: 3000 Kelvin
- CRI: 90
- Construction: Aluminum and prime quality steel
- Fully adjustable spring-balanced pivoting arm and lamp head with yaw and tilt
- Available with edge clamp mount
- Colors: Silver Grey, Black or White
- Accessories: Table/desk base
