

MLED

Our best-selling fluorescent underbin fixture is available in energy-efficient LED—and it's the perfect solution for transitioning to a more environmentally-friendly light. MLED features brilliant LED light with integrated AC power. With three mounting options available and no power brick to manage, it attaches effortlessly beneath nearly all overhead office cabinets. MLED can also be ordered with an optional occupancy sensor for maximum energy-efficiency and long-term cost savings.

Proudly designed and manufactured in Grand Haven, Michigan.

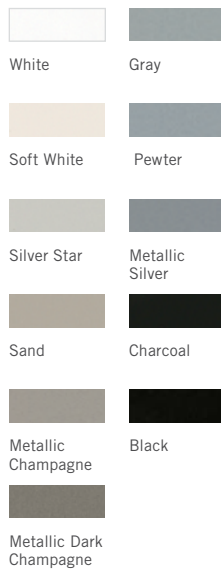

MLED

The integrated AC power supply means there's no unsightly power brick to manage.
